Mr. Larry White  
c/o Leadfree Sanitation  
26 8th Ave. N.W.  
Waukon, Iowa 52172

Dear Larry:

Attached is a copy of the special waste authorization for Norplex's melamine/alcohol/water waste, as you requested.

Please note that the waste is not hazardous even though it does require a special waste authorization for disposal. There are no special hauling permits required for transportation of this waste within the state of Iowa.

If you have any questions concerning the special waste authorization system, please feel free to contact me.

Sincerely,

FIELD SERVICES DIVISION
